Dear Mr. Wersberg,

You probally do not know who I am, but I assure you that I know who you are. I heard so much about you and saw you so many times on television. I also heard about your book from you on television and from one of my friends. My friend is letting me read the book now, and at night when I go to sleep I find it very hard once I start reading to stop. You are such an intellect that at night when I read your book I also need a dictionary to look up some of the unknown words that you use.

Now that you know that I know something about you I thought maybe you would like to know some thing about me.

1st I am 13 years old
2nd My Name is Brian McKenna
